Title: Commercial Bookkeeping

Author: Ku Hsun (顧 詢)

Publisher: Li-hsin Kuai-chi Yung-pin-she, Shanghai, 1951 (4th edition)

Sponsor or
Issuing Authority: None indicated

No Pages: 339

Language: Chinese

Area of Coverage: China

Subjects Covered: Principles of bookkeeping, the general journal, the trial balance, the work sheet, cash journal, profit and loss statements, books of original entry

Review: Treats fully the basic principles of bookkeeping and devotes a chapter to sample problems illustrating the working of these principles. In a note to the fourth edition, the author remarks that changes had been made in Chapter 27 to confirm with the "new national laws" on the operation of private enterprises.
